

# Current Trends in Particle Theory II

**Saturday March 3, 2018.**  
**University of Illinois at Chicago**

## Speakers

**Gokce Basar** (UIC)  
**Radja Boughezal** (Argonne)  
**Nirmal Raj** (Notre Dame)  
**Anne Schukraft** (Fermilab)  
**Xiao-Ping Wang** (Argonne)

## Organizer

**James Unwin** ([unwin@uic.edu](mailto:unwin@uic.edu))

The workshop is run with support from the University of Illinois at Chicago.

A one day workshop to discuss recent advances in particle physics at the University of Illinois at Chicago, in central Chicago easily accessible by car and train.

**For registration (no fee) and further information:**
